

# UGM24 Breakout Sessions

Here's over 100 sessions we are working on delivering at this year's UGM to help maximize your time at UGM 24. The final agenda will be released in late September so you can create your personalized schedule and register for sessions by track, role, level and specialty.

*Agenda is subject to change and expand, so check back frequently!*

## Pre-Conference Workshops

Get more from your system. Attend a pre-conference workshop for training from a NextGen Healthcare expert and experience the full benefits of all the solutions you've implemented.

**Full Day Optional Pre-Conference Workshops: \$299**

**Half Day Optional Pre-Conference Workshops: \$199**

**Half Day AM Workshop:** Navigating the Regulatory Landscape

**Half Day PM Workshops:** Creating a "One Person or less" Organizational Development Team  
Managed Cloud Services 101
